Description

Slim black sanded ceiling mount with four adjustable G9 tubular bulbs, designed for directed lighting in interior spaces. Its minimalist structure and black sanded finish adapt to any modern environment. Each tubular bulb allows individual adjustment, facilitating customization of the light angle according to the space's needs.

Technical specifications

- Base: 250 x 250 mm
- Bulbs: 4 aluminum tubular
- Adjustment: Individual and adjustable
- Finish: Black sand
- Connection: G9 (LED not included)

Its discreet design allows easy integration in work areas, living rooms or hallways where focused and elegant lighting is required. The square base facilitates installation in spaces with straight walls and modern finishes.

Installation is simple thanks to its standard mounting system. It is recommended to follow the manufacturer's instructions to ensure correct placement and operation of the unit.
