Description

Adjustable ceiling gutter in sand-white finish, designed for installation on flat ceilings with included mounting system. Features two GU10-35 bulbs (not included), allowing precise adjustment of the light beam in residential or commercial spaces.

Technical Specifications

- Base: 40x218 mm
- Bulbs: 2 x GU10-35 (not included)
- Finish: Sand-white

Its minimalist design facilitates integration into modern environments, while the individual adjustment of each bulb offers flexibility for lighting specific areas. Particularly useful in hallways, work zones, or displays where precise light angle control is required.

Installation is simple and direct on flat ceilings thanks to the included system. It is recommended to use compatible GU10-35 bulbs to achieve optimal brightness and product durability.
