Description

The dimmable 3CCT LED ceiling mount Atlas is a lighting solution designed for residential and commercial spaces, offering high-energy-efficient main illumination. It incorporates integrated LED technology that allows selection between three color temperatures (3000K, 4000K, and 6000K) and three brightness levels (20%, 50%, and 100%). Its continuous dimming system facilitates precise adjustment of brightness according to environmental needs.

Technical specifications

- Power: 72 W
- Luminosity: 7920 lm
- Color temperatures: 3000K, 4000K and 6000K
- Diameter: 50 cm
- Features: dimmable, night mode, memory on power-up, timer (1-2 h)
- Includes remote control

Its modern and versatile design makes it ideal for environments where adaptable lighting is required. It facilitates the creation of changing atmospheres based on user needs, improving visual comfort in spaces such as bedrooms or living rooms.

Installation is simple and direct to the ceiling, without the need for additional tools. Its compatibility with control systems allows easy integration into smart or automated lighting solutions for more efficient management of the luminous environment.

Specifications

High	50 cm
Diameter	50 cm
EAN	8435775603569
Long	50
