Description

The Slim White Wall Mount with USB 1xG9 combines modern design and functionality in a single accessory. Its compact structure allows easy installation on vertical surfaces, ideal for auxiliary or reading lighting in spaces such as bedrooms or living rooms. It features an adjustable tubular light that offers flexibility in light direction, plus two USB ports (A and C) for fast charging of mobile devices.

Technical Specifications

- Color: White
- Connection: Standard plug
- Switch: Integrated ON/OFF
- USB Ports: 2 ports (A and C)
- Light: Adjustable tubular

Its elegant design adapts to contemporary environments, while its functionality provides convenient access to electricity and device charging. It is especially useful in areas where customized lighting and easy power access are required.

Installation is quick and does not require special tools. It mounts directly to the wall using included brackets, making it easy to place in any vertical space. Its lightweight yet durable construction ensures long-lasting performance in daily use.
