Description

Fixed round recessed lights in black finish, designed for standard ceiling installation. Its structure in reinforced polycarbonate ensures long durability, while its matte black finish adds a sophisticated touch to the decoration. It incorporates an LED lighting system with a power of 35 watts and a cosine correction factor of 0.95.

Technical specifications

- Material: Reinforced polycarbonate
- Color: Matte black
- Dimensions: Diameter 35 mm
- Protection level: IP44
- Connection: Standard recessed mounting system

Its minimalist and elegant design adapts to homes, offices and commercial spaces, facilitating ambient lighting without overloading the visual environment. It is ideal for applications where a discreet but functional finish is required.

Installation is simple thanks to the included fixing system, allowing quick integration into new or existing recessed lighting projects. It is recommended for use in environments with normal humidity and temperature conditions.

Specifications

Colour	Matt black
EAN	8435775609271
Material	Policarbonato reforzado
Protection	IP44
