Linear LED Base Cabinet 2.5W 220Lm CCT 60Cm with Motion Sensor

Brand: CRISTALRECORD

Reference: CR 43-100-60-281

Linear LED base cabinet with motion sensor and USB-C charging port. Power of 2.5W, luminous flux of 220 lumens, color temperature CCT 60Cm. Approximate autonomy of 7 hours with a 2200 mAh battery.

Description

Linear LED base cabinet with LED lighting technology, designed to provide soft and efficient light in spaces such as kitchens, bedrooms, and hallways. It incorporates a motion sensor that activates the lighting when detecting presence, ideal for applications where auxiliary lighting is needed without the need for cables.

Technical Features

- Power: 2.5W
- Luminous flux: 220 lumens
- Battery: 2200 mAh
- Charging time: 3 hours (USB-C 5V-1A)
- Approximate autonomy: 7 hours
- Motion sensor with a detection range of 120°
- Detection distance: 4 to 6 meters
- Automatic shutdown after 20 seconds
- Magnetic installation

Its compact and functional design allows easy integration into any environment. It is especially useful for areas where background lighting that automatically activates upon detecting movement is needed, improving comfort and energy efficiency.

The installation is quick thanks to its magnetic system, allowing it to be easily placed on metallic or

metalized surfaces. It is ideal for use in spaces requiring a practical lighting solution without technical complications.

Specifications

EAN	8435775619584
Efficacy (lm/W)	88
Power (W)	2.5
