### Description

The round swing mountable Fit 75 White presents a modern and functional design, ideal for lighting in residential and commercial spaces. Its white matte finish adapts to any environment thanks to its versatile elegance. It incorporates an automatic opening mechanism and smooth closing, facilitating use in high-activity areas such as kitchens and prep zones.

#### Technical specifications

- Format: 75 mm
- Color: White
- Materials: Aluminum and tempered glass
- Protection grade: IP20

Its robust construction ensures a long lifespan, while its quick mounting system allows easy installation on compatible surfaces. The ease of cleaning and maintenance makes it suitable for high-traffic environments.

This model offers optimal energy efficiency and stands out for its consistent performance under normal usage conditions, making it a reliable choice for homes, offices, and other spaces requiring functional and aesthetic lighting.
