### Description

The round swing mountable Fit 75 Bronze combines functionality and aesthetics in a modern design, ideal for residential and commercial installations. Its swing opening mechanism allows safe and practical access to internal contents, facilitating organized storage in limited spaces. Made from cast bronze, it offers superior durability and a lasting finish that harmoniously integrates into any environment.

#### Technical Specifications

- Material: Cast Bronze
- Dimensions: Diameter 75 mm
- Installation Type: Flush Mount
- Mechanism: Swing Opening
- Thermal Resistance: Up to 120°C

Its minimalist and elegant design makes it a discreet yet functional solution for kitchens, bathrooms, or cabinets. It is especially useful in spaces where secure access to internal elements is required without compromising the environment's aesthetics.

Installation is simple thanks to its standard mounting system, suitable for flat and solid surfaces. It is recommended to install it by qualified technical personnel to ensure safe and efficient installation in any application.
