Description

Recessed lighting accessory designed for installation on horizontal or vertical surfaces. Its structure in stainless steel with chrome matte finish offers durability and a modern appearance, perfect for functional and aesthetic spaces.

Technical specifications

- Material: Stainless steel with chrome matte finish
- Diameter: 75 mm
- Mounting depth: 25 mm
- Connection: Standard fixing system for recessed luminaires
- IP: IP44 (protection against solid objects and splashes)

Its versatile design allows its use in kitchens, bathrooms, hallways or work areas. It is compatible with a wide range of recessed luminaires and facilitates ambient lighting.

Installation is simple thanks to its quick and secure mounting system. Recommended for environments where an aesthetic and functional solution is required in general or ambient lighting.
