Description

The black plastic ARPPE Muzzle size 07 is an accessory designed for the safe and comfortable transport of small to medium-sized equines. Manufactured from durable, easy-to-clean plastic, it provides a hygienic and long-lasting solution for agricultural environments, farms, or breeding centers. Its black construction offers greater resistance to wear and prevents visible dirt accumulation under outdoor conditions.

Technical specifications

- Internal length: 14 cm
- Muzzle contour: 26 cm
- Head circumference: 43-50 cm
- Size: 07

Its ergonomic design allows efficient handling during transport, ensuring adequate ventilation that enhances animal comfort. It is ideal for use in environments where quality and durability of equipment are required.

The basket is easy to clean with water and common detergent, maintaining its structural integrity over time. It is recommended for use in demanding environments, whether on agricultural facilities or zoos and specialized breeding centers.

Specifications
