Description

Adhesive command strips designed to hang frames and decorations without damaging walls. Manufactured with a high-strength adhesive that supports up to 7.2 kg, they are perfect for indoor use. Installation is quick and secure without the need for additional tools.

Technical Features

- Maximum weight supported: 7.2 kg
- Color: White
- Quantity per unit: 8 strips

They are suitable for hanging frames, mirrors or decorations on surfaces such as plaster, brick or metal. Their design allows for simple application and removal without leaving residues.

It is recommended to use them in dry environments with temperatures between 4 °C and 38 °C for optimal performance. They are wear-resistant and offer long-lasting adhesion over months.
