Description

Extra-large rectangular 3M Command XXL white hook, with a maximum load capacity of 6.8 kg. Designed to support heavy objects on smooth surfaces such as walls or ceilings, thanks to its advanced adhesion technology. Its rectangular structure allows for efficient weight distribution, offering stability and resistance in both commercial and residential environments.

Technical Specifications

- Maximum load capacity: 6.8 kg
- Design: extra-large rectangle
- Includes: 1 hook and 3 adhesive strips
- Color: white

Installation is quick and simple without the need for additional tools, making it ideal for hanging pictures, mirrors, or other lightweight accessories that require secure mounting. It is especially useful in spaces where a permanent or semi-permanent solution is needed.

It is recommended to use it on smooth and dry surfaces, avoiding humid environments or those exposed to the elements to ensure optimal performance. Its easy application allows for fast assembly without damaging walls or requiring drilling.

Specifications

Colour	White
EAN	4064035112554
