View product online

Description

Brushed nickel command hook designed to hang lightweight objects on walls without the need to nail. Its durable construction and elegant finish make it suitable for interior use. The hook includes a hook and two adhesive strips for safe and easy installation.

Technical specifications

- Material: Brushed Nickel
- Dimensions: 0.450 K
- Included: 1 unit with 1 hook and 2 adhesive strips

It is recommended for frames, mirrors or light accessories on surfaces such as drywall, brick or metal. The adhesive technology provides a secure and reliable fixation without damaging the wall.

Installation is quick: simply remove the protective film and stick the hook to the desired surface. No tools or holes are required, making it easy to use both at home and in offices.

Specifications
