Brand: SCOA

Reference: SCO 26787

Medium nickel-plated command hook with a load capacity of 1.3 kg. Includes a hook and two adhesive strips for secure installation on smooth surfaces.

View product online

Description

Medium nickel-plated command hook, designed to hang lightweight objects without the need to drill walls. Its reinforced adhesive system provides a safe and durable fixation on smooth surfaces. This practical solution combines strength and aesthetics, making it perfect for indoor use.

Technical specifications

- Load capacity: 1.3 kg
- Material: Reinforced plastic with nickel-plated finish
- Includes: 1 hook and 2 adhesive strips

Installation is quick and easy, allowing you to hang frames, mirrors, or decorative accessories without damaging the wall. It is suitable for interior use on smooth surfaces such as plaster, paint, or wood.

The hook resists moisture and provides permanent adhesion on clean and dry surfaces. It is recommended for indoor use only to achieve maximum performance from its adhesive fixation.
