Description

Modern-designed bath hook with a nickel finish, made from moisture-resistant materials. Its adhesive strip mounting system allows for quick and secure installation without the need to drill into walls. Suitable for use in bathrooms and showers, offering a maximum load capacity of 1.3 kg.

Technical Specifications

- Recommended maximum load: 1.3 kg
- Finish: Nickel
- Includes: 1 hook + 2 adhesive strips

It is perfect for hanging small accessories such as towels or sponges on smooth surfaces like ceramic, paint, or glass. It's a practical and aesthetic solution to keep your bathroom organized without damaging the walls.

Installation is simple and quick, allowing it to be placed in any area with an appropriate surface. Recommended for low humidity environments and lightweight items.
