Description

Professional adhesive cleaning roller designed specifically for the effective removal of pet hair and loose fibers on textile surfaces like furniture, carpets, and clothing. Its advanced technology allows intensive use without performance loss, making it especially useful in pet-friendly home environments.

Technical Features

- Content: 1 package with 48 sheets
- Includes additional adhesive for better fixation

Its ergonomic design facilitates access to hard-to-reach areas, allowing precise and efficient cleaning on multiple surfaces. It is especially recommended for daily household maintenance.

Installation is immediate: simply remove the protective film and start using it directly on areas affected by pet hair or loose fibers, without any additional setup required.

Specifications
