Description

Wireless electric tool kit designed for garden maintenance, with a 14.4V lithium-ion battery. Includes scissors, chainsaw, and hedge trimmer, offering power and cordless mobility for tasks such as pruning, edging, and grass cutting. Its battery-powered system allows practical use in both domestic and professional environments.

Technical Specifications

- Battery: Lithium-ion 14.4V
- Included: Scissors, Chainsaw, Hedge Trimmer, and Edger

This kit provides a versatile solution for garden care with an ergonomic design and quiet operation. It is suitable for users with medium experience in outdoor maintenance.

Operation is simple: it is recommended to charge the battery before use and ensure proper connection between tools and battery. Guaranteed autonomy allows multiple tasks without frequent interruptions.
