Description

STAYER PRO 18V 2Ah percussion drill driver with percussion function and maximum torque of 40 Nm. Designed for professional use in construction and assembly, it offers powerful performance both for drilling and screwing in various materials. Its integrated 18 V, 2 Ah battery provides extended runtime during work.

Technical specifications

- Maximum torque: 40 Nm
- Battery: 18 V, 2 Ah
- Connector: Compatible with L20 system
- Includes charger and transport case

Thanks to its ergonomic design and improved percussion system, it allows efficient operation under demanding conditions. It is especially useful for jobs requiring precision and durability in professional environments.

Includes a metal 10 mm bit holder for quick changes between different types of bits according to application. The set comes complete with battery, charger, and protective case for safe transport of the equipment.

Specifications

EAN	8427648833418
Nominal voltage (V)	18V
