Description

The wireless Bosch GSB18V-52 impact drill is a high-power professional tool designed for demanding work on various materials such as wood, metal and concrete. Its 18 V battery system provides autonomy and reliable performance, while its impact technology allows precise and efficient drilling.

Technical specifications

- No-load speed: 0-500 / 0-1900 rpm
- Battery system: 18 V

This model stands out for its compactness and ease of handling, making it suitable for both professional and domestic applications. Its ergonomic design improves control during extended use.

Its installation is simple thanks to compatibility with Bosch's 18V battery range, allowing continuous operation without interruptions. The tool can be used in environments where power and portability are required.

Specifications

EAN	4053423656091
Revolutions per minute (RPM)	500
