Description

Fixing system designed to hang frames and decorative elements with a large tip of 4 mm, ideal for indoor and outdoor applications. Provides a safe and easy installation solution without the need for additional tools. Made from corrosion-resistant material, supports up to 281 kg per unit.

Technical specifications

- Material: Resistant plastic
- Loading capacity: Up to 4 kg per unit
- Approximate dimensions: 281 mm long
- Fixing system: Large tip for better adhesion

Allows quick and safe installation in spaces such as offices, living rooms or hallways. Suitable for smooth and dry surfaces where reliable support is required.

It is recommended to use it in controlled environments to ensure optimal product adhesion. Its design allows easy placement and removal without damaging walls or decorative elements.
