Description

3M Command Adhesive Strips are innovative solutions to mount lightweight objects without drilling or leaving marks on walls. Designed for general use, they offer a maximum resistance of up to 1.3 kg per strip, making them ideal for home and office applications. Their adhesive technology allows quick and safe installation without damaging surfaces.

Technical Features

- Maximum resistance of 1.3 kg per strip
- Approximate dimensions: 85 mm long x 20 mm wide
- General use on dry surfaces such as walls and glass
- No drilling or additional adhesive required

Their application is ideal for hanging frames, mirrors, books, or light accessories. They are especially useful in spaces where wall integrity must be maintained and damage from nails or screws avoided.

Installation is simple: just remove the protective film and stick the strip onto the surface. For better performance, ensure the surface is clean and dry before use.

Specifications

High	85 mm
