Description

Double-sided removable tape from 3M for carpets, specially developed to securely fasten rugs and decorative accessories without damaging the floor. It uses an acrylic adhesive that allows easy repositioning and removal without residue. Its advanced technology ensures secure adhesion on smooth surfaces such as wood, vinyl, or ceramic.

Technical specifications

- Length: 50 meters
- Width: 7 mm
- Material: Polyester with removable acrylic adhesive

This tape offers medium to high resistance, suitable for light and moderate use in indoor environments. It is ideal for temporary or semi-permanent applications where secure fixation is required without damaging the floor.

Installation is simple: remove the protective film and apply it onto a clean and dry surface, pressing firmly. Recommended for use on smooth floors such as wood, vinyl, or ceramic, avoiding porous or highly absorbent surfaces.
