Description

Transparent RUNNER safety glasses designed for demanding industrial environments. Manufactured with polypropylene and polycarbonate, they provide comprehensive protection against impacts and UV radiation. Their lightweight construction and ergonomic frame ensure comfort during prolonged use.

Technical Features

- Materials: Polypropylene and Polycarbonate
- Color: Transparent
- Compatibility: Use in industrial environments

These glasses are suitable for workers who require constant visual protection. Their impact resistance and performance in adverse conditions make them ideal for dynamic work environments where clear, undistorted vision is essential.

Installation is immediate: simply place the glasses over your eyes and adjust the headband according to your comfort. No tools or additional configurations are required for direct use.

Specifications

Colour	Transparente
EAN	8051773670121
