Description

The Classic single-step plastic stool combines functionality and classic design in an ideal solution for indoor or covered outdoor spaces. Made with resistant and lightweight plastic material, it offers durability without compromising comfort. Its simple and modern structure makes it suitable for both residential and professional use.

Technical Specifications

- Material: Resistant Plastic
- Design: 1 Step
- Adjustable Height: Between 40 and 45 cm

Its ergonomic design ensures comfort during prolonged use, while its smooth surface facilitates cleaning and maintenance. It is a practical option for environments with flat and stable floors.

It is recommended for installation in covered areas or indoors where an easily accessible auxiliary seat is required. Ideal for workspaces, dining rooms, or reception lounges, providing stability and resistance to daily wear.
