Description

Foldable double step stool with modular design and stainless steel structure, created for collaborative workspaces. Its double seat and adjustable backrest provide ergonomic comfort, while its fixing system ensures safe and stable installation.

Technical specifications

- Material: High-resistance wood and wear-resistant finishes
- Dimensions: 45 x 45 x 48 cm (width x depth x height)
- Recommended maximum load: 120 kg
- Modular design with 2+1 configuration

Its versatility makes it suitable for offices, meeting rooms or common areas where a practical and aesthetic solution is required. It facilitates mobility and access to different spaces without compromising its functionality.

Installation is simple thanks to its stable structure and easy-to-assemble design, ideal for environments that need adaptable furniture and quick implementation.
