Description

SDS-MAX Crossmax drill bit with a diameter of 20 mm and a length of 550 mm, designed for drilling in concrete and stone. It incorporates advanced cutting technology that ensures higher efficiency in demanding industrial and construction jobs.

Technical Specifications

- Diameter: 20 mm
- Total Length: 550 mm
- Connection System: SDS-MAX

This drill bit delivers optimal performance in resistant materials such as reinforced concrete, stone walls, and other structural elements. Its design allows for precise and efficient drilling even under intensive working conditions.

The installation is simple thanks to its standard compatibility with professional percussion guns. It is recommended to always use it together with appropriate equipment to ensure safety, durability, and effectiveness during the drilling process.

Specifications

Diameter	20 mm
----------	-------

EAN	3660354068438
Manufacturer	Guillet
Long	550 mm
Material	Steel
Measures	20 x 550
