Description

The rechargeable MAGNUM 3W LED flashlight provides bright and long-lasting illumination thanks to its high-efficiency technology with a 3-watt light output. Designed for professional and recreational outdoor use, it combines power, reliability, and durability in a compact and robust design.

Technical Specifications

- Light Output: 3 watts
- Battery Type: Built-in rechargeable
- Material: Durable aluminum
- Protection: IPX4 (splash-proof)

Its reliable operation makes it suitable for work in dark conditions, outdoor activities, or emergency situations. The flashlight is easy to use and maintain thanks to its integrated USB charging system.

The robust construction ensures stable performance even in harsh environments. Its compact design allows comfortable transport and practical use in various professional or recreational settings.

Specifications

EAN	8003910116306
Manufacturer	Velamp
Material	aluminio resistente
