WAINGRO 50W LED Work Light

Brand: Velamp

Reference: TUR IS766NG-2

WAINGRO 50W LED work light with natural convection cooling system, nominal power of 50 watts and an estimated service life of 50,000 hours of continuous operation.

[View product online](#)**Description**

The WAINGRO 50W LED work light provides intense and efficient illumination for workplace and professional environments. It uses high-power LED technology with a robust design that ensures longevity superior to traditional lamps, significantly reducing energy consumption. Its natural convection cooling system allows stable operation over long periods.

Technical Specifications

- Power: 50 watts
- Technology Type: LED

Its application stands out in industrial spaces, warehouses and workshops where constant, high-quality lighting is required. Energy efficiency contributes to reduced operational costs without compromising performance.

Installation is simple thanks to its modular design and compatibility with standard mounting systems, enabling quick integration into existing environments. It does not require complex structural modifications, facilitating implementation in various workplace settings.

Specifications

High	30,74
------	-------

Width	24,74
Cri (Ra)	70
EAN	8003910140516
Manufacturer	Velamp
Long	2 m
Lumens (lm)	4500
Material	Aluminio
Weight (kg)	1,24
Depth	18,5
Nominal voltage (V)	220
Colour temperature	4000K
