LED Surface Downlight Square 24W CCT

Brand: ALFA

Reference: ALFA 29087

Downlight LED 24W recessable square surface with sturdy polycarbonate body. Incorporates CST selector to adjust color temperature (cold, neutral or warm) and instant electronic ignition. It offers energy savings of 90%, classification E and a service life of more than 25,000 hours of continuous operation.

Description

The 24W CCT Square Surface LED Downlight is an efficient light solution that integrates light-emitting diode technology and a robust polycarbonate body. Designed to illuminate interior spaces with maximum visual quality and low energy consumption.

Technical characteristics

- Nominal power: 24W
- Dimensions: 285x285mm
- Material: High resistance polycarbonate
- Technology: CCT selector (cold, neutral, warm)
- On: Instant Electronics
- Energy saving: 90%
- Energy classification: E
- Life expectancy: Up to 25,000 hours

This product offers superior performance guaranteed by its long duration and efficiency, providing a light adaptable to different environmental needs without sacrificing the quality of the luminous flux.

The installation is simple by means of standard underlaying systems on flat roofs. The handling of the device allows you to easily select the desired color temperature to adjust the interior environment according to the user's preference.

Specifications

High	28.5
Width	28.5
Opening angle	180º
Energy classification	E
Colour	White
Cri (Ra)	90
Driver included	Yes
EAN	8425160290870
Long	285x285mm
Lumens (lm)	2640
Material	Policarbonato
Measures	28.5 x 28.5
Weight (kg)	0.545
Protection	IP20
Nominal voltage (V)	230V
