Product sheet

Square Recessed LED Downlight 24W 3CCT

Brand: ALFA

Reference: ALFA 29405

Downlight 24W square recessable LED with resistant polycarbonate housing. It incorporates 3CCT technology to adjust color temperature and instant electronic ignition. It offers energy savings of 90%, classification E and service life of up to 25,000 hours of continuous operation in indoor spaces.

Description

The Downlight LED Embossed 24W Square is an efficient light solution that integrates 3CCT color change technology to adapt the atmosphere to any need. Designed for roofing, it offers superior performance with 90% energy savings and an E energy rating.

Technical characteristics

- Power: 24W
- Dimensions: 295x295mm
- Technology: 3CCT (cold, neutral, warm)
- Material: High resistance polycarbonate
- On: Instant Electronics
- Life expectancy: Up to 25,000 hours
- Guarantee: Three years

This device provides versatile and durable lighting, allowing flexibility in color temperature without sacrificing light quality or operational efficiency in indoor spaces.

The installation is simple by standard recessing on flat ceilings, taking advantage of its mechanical robustness and impact resistance of the polycarbonate material for a safe and durable assembly.

Specifications

High	29.5
Width	29.5
Opening angle	120º
Energy classification	E
Colour	White
Driver included	Yes
EAN	8425160294052
Lumens (lm)	2640
Material	Policarbonato
Measures	29.5 x 29.5
Weight (kg)	0.476
Protection	IP20
Nominal voltage (V)	230V
