Description

The 24W CCT Extraplane LED Round App is a modern design luminaire that integrates high-performance technology to transform any space. Its compact and efficient structure allows significant energy savings from traditional sources, offering a versatile solution for residential and commercial lighting.

Technical characteristics

- Power: 24W
- Luminous flux: 2400lm
- Body height: 60mm
- Diffuser type: High quality opal
- Color temperature: CCT selector (Cold, Neutra, Warm)
- Life expectancy: Up to 25,000 hours
- Energy classification: F

This device provides a homogeneous light and free of glares, ensuring a comfortable visual environment. Its ability to adjust the color temperature allows the atmosphere to adapt to the specific needs of each room, improving the visual experience at any time of day.

The installation is simple and quick, designed to be easily integrated into standard electrical systems without requiring complex specialized tools. Its exceptional durability ensures continuous and reliable operation for years, reducing the frequency of maintenance and replacement of components.

Specifications

High	6.0
Opening angle	120º
Energy classification	F
Colour	White
Diameter	315 mm
EAN	8425160294311
Efficacy (lm/W)	100
Long	60mm
Lumens (lm)	2400
Material	Aluminio / PC
Weight (kg)	0.577
Protection	IP20
Nominal voltage (V)	230V
Shape	Round
