Description

The Reflective Polar Workfit Jacket Size S is an industrial safety garment designed to ensure worker visibility in low-light environments and adverse weather conditions, combining thermal protection with maximum operational comfort.

Technical Features

- 100% polyester breathable fabric with a weight of 280 g/m².
- Full front closure via robust zipper.
- Two reflective strips around the torso and arms for high visibility.
- Large capacity side pockets with zipper closure.
- Elastic cuffs on sleeves and high collar in contrasting color.
- High resistance to cold and low temperatures.

Its functional design makes it suitable for work in construction sites, warehouses, agriculture, livestock farming, metallurgy, and any sector requiring certified safety equipment with high durability and comfort during extended shifts.

Installation is immediate when worn over underwear or base uniform, adjusting the elastic cuffs to ensure good retention of body heat without restricting arm mobility during manual tasks.

Specifications

Colour	Yellow
EAN	8425160492182
