Description

The 26x50mm grey FAC lock is a surmounting device designed to maximize security in main accesses by means of a robust physical barrier.

Technical characteristics

- Measurements: 26x50mm
- Finished: Painted grey
- System: Double Security Handlock
- Cylinders: Inner and exterior roundings
- Mechanism: Key type of points
- Includes: 5 security keys
- Assembly: Locking screws included

This lock offers effective protection against intrusions, significantly increasing the difficulty of forcing entry doors and safeguarding goods and people within the enclosure.

The installation is direct by the provided screws, ensuring a solid fixation in the door frame without the need for additional specialized tools.
