Description

The Yellow Reflective Workfit Parka Size L is a category II workwear protective garment designed to ensure maximum visibility and comfort in demanding industrial environments. Manufactured with advanced fabric technology, it guarantees safety and durability during daily work under adverse conditions.

Technical Features

- Waterproof and breathable 300D Polyester Oxford + PU/100% Nylon Taffeta fabric
- Weight of 190 g/m² for high thermal resistance
- Reflective tapes on chest, shoulders, and arms
- Front closure with hidden zipper and snap buttons
- Side and front pockets with flap closure
- Inner composition: 100% Polyester
- Category II workwear protection

This parka provides significant benefits by protecting against low temperatures and continuous wear. Its ergonomic design facilitates movement in construction sites, warehouses, agriculture, livestock farming, metallurgy, and other industrial sectors.

Installation is immediate: simply fasten the snap buttons of the front closure and secure the zippers of the pockets. No special maintenance is required other than occasional cleaning to preserve its reflective and waterproof properties.
