Description

The Reflective Polar WorkFit Jacket size 2XL is a protective workwear garment designed to ensure visibility and comfort in cold environments. Manufactured with high thermal resistance technology, this clothing combines industrial safety with advanced ergonomics for demanding workers.

Technical Features

- 100% polyester construction
- Weight of 280 g/m²
- Front closure with zipper
- High contrasting collar
- Elastic cuffs on sleeves
- Side pockets with zipper
- Two reflective tapes on torso and arms
- Breathable fabric

This jacket offers superior protection against low temperatures, keeping the user dry and warm during extended shifts. Its reflective design ensures that the worker is easily visible in low light or dense fog conditions.

Installation is immediate thanks to its ergonomic cut that allows free movement without restrictions. Simply fasten the front zipper to activate its protective function against wind and ambient humidity.
