Description

The 41cm tool holder bag is an essential equipment for professionals who need to organize and move their utensils safely. Designed in Oxford high density fabric, it guarantees durability against daily wear in demanding environments.

Technical characteristics

- Measurements: 41x21x28.5cm
- Materials: Oxford high density fabric
- Closing: Wide mouth with double zipper
- Pockets: Multiple interiors and exteriors
- Handles: Double grip handle and auxiliary shoulder handle

Its large storage capacity allows to integrate heavy tools and small accessories without risk of disorder. Scratch and tear resistance protects the contents during transport on site or workshop.

The double handle system facilitates its immediate manual handling, while the shoulder handle allows it to be hung to release the hands. Its design optimizes operational efficiency by keeping everything at hand.
