Description

The Workfit Orange Reflective Vest Size M is an essential safety garment designed to maximize worker visibility in risk environments under low-light conditions. Manufactured with fluorescent and retro-reflective material technology, it ensures the user is easily detectable by nearby machinery and vehicles.

Technical Features

- 100% Polyester Composition
- 120 g/m² Weight
- Front Velcro Closure
- Two 5 cm Reflective Tapes around Contour
- Double High-Strength Stitching
- Lightweight and Breathable Material

Its ergonomic design provides excellent flexibility and body adaptability, allowing free movement without compromising protection. The combination of fluorescent orange color and reflective bands offers immediate high visibility in any work situation.

Installation is simple: it adjusts via the front chest velcro closure. It is recommended to always wear it before starting any task involving risk, ensuring that the reflective tapes remain well-aligned with the torso contour for maximum effectiveness in visual signaling.
