Description

The Workfit orange reflective vest size L is an essential safety garment designed to maximize worker visibility in low-light environments or adverse conditions. Manufactured with fluorescent and retro-reflective material technology, it ensures the user is easily detected by nearby machinery and vehicles, significantly reducing the risk of workplace accidents.

Technical Features

- Composition: 100% Polyester
- Weight: 120 g/m²
- Front Closure: Velcro
- Reflective Elements: Two 5cm tapes around the contour
- Construction: High-resistance double stitching
- Weight: Lightweight and breathable

These combined attributes offer superior flexibility, allowing the worker to move freely without restrictions, while the durable material ensures equipment longevity under intense daily use in construction sites or industrial zones. Its primary application lies in high-risk situations where high visibility is critical for the physical integrity of the staff.

Installation is immediate thanks to the velcro-style closure, facilitating quick donning and secure adjustment over any type of work clothing without the need for additional tools. The lightweight design

allows for prolonged use without generating excessive thermal fatigue during extensive outdoor work shifts.

Specifications

Colour	Orange
EAN	8425160495220
Long	5
Material	100% Poliéster
Weight (kg)	0.114
Size	L
