Description

The Workfit reflective vest in orange color and size XL is an essential safety garment designed to maximize worker visibility in high-risk environments. Manufactured with fluorescent and retro-reflective material technology, it ensures the user is easily detectable by heavy machinery and nearby vehicles, protecting their physical integrity during critical tasks.

Technical Features

- 100% polyester composition
- Weight of 120 g/m²
- Front closure with velcro
- Two 5 cm reflective tapes around contour
- Double high-strength stitching
- Breathable and lightweight material

This equipment offers superior flexibility and adaptability, allowing free movement without restrictions. Its reinforced design ensures prolonged durability even under demanding work conditions, maintaining active visibility throughout the entire work shift.

Installation is immediate upon putting on the garment, adjusting the front closure according to the selected size. It requires no special maintenance other than gentle cleaning to preserve the reflective properties of the fluorescent material integrated into its structure.

Specifications

Colour	Orange
EAN	8425160495503
