Description

The VATTON 1050W Percutor Drill is a professional tool designed for demanding drilling and screwing jobs, combining a high-performance brush motor with a reinforced metal body to ensure durability and power in industrial environments.

Technical characteristics

- Engine power: 1050W
- Automatic metal slide holder: 13mm
- Impacts per minute: 0-17600IPM / 0-44800IPM
- Rotation speed: 2800RPM variable
- Metal body of high resistance
- Two-way punching and drilling mode
- Includes multiposition auxiliary handle and depth rod

Its versatility makes it possible to perform assembly, structural repair and drilling tasks in hard materials with precision and safety, taking advantage of its quick bits change system.

The installation is immediate thanks to its PVC transport case, facilitating handling and storage. For deep work, use the included rod to ensure the stability of the equipment during operation.

Specifications

EAN	8425160495596
Long	300 mm
Weight (kg)	1,8
Power (W)	1050
Revolutions per minute (RPM)	2800
Nominal voltage (V)	230V
