Description

The T/UCEM Beige lock is an overlay lock designed to reinforce security on entry doors, combining robustness and aesthetics with its Serreta Handlock knob. Its external round cylinder technology ensures effective protection against intrusions.

Technical characteristics

- Dimensions: 25x50mm
- Key cylinder Serreta
- Includes 3 spare keys
- Beige finish
- Overlay system
- Pomo inside
- Mounting screws included

This device increases the physical security of the main accesses, offering a reliable mechanical barrier against unauthorized openings. Its compact design integrates perfectly into standard door frames without compromising the aesthetics of the environment.

The installation is simple thanks to the screws provided, allowing to fix the bolt directly on the existing door. It only requires aligning the mechanism and secure it firmly to activate its immediate blocking function.
