Description

The Workfit Orange Reflective Vest Size 2XL is an industrial safety garment designed to ensure maximum worker visibility in risk environments. Manufactured with fluorescent and retro-reflective material technology, it performs critical personal protection functions on construction sites, traffic, or dangerous work situations.

Technical Features

- Composition: 100% Polyester.
- Weight: 120 g/m².
- Front velcro closure.
- Two 5 cm reflective tapes around the contour.
- Double high-strength stitching.
- Fluorescent and retro-reflective material.

Its design optimizes safety by providing immediate high visibility, allowing personnel to be easily detected by nearby machinery or vehicles. The combination of vivid orange colors and reflective bands ensures the user remains visible even in low-light conditions or dense fog.

Installation is simple: it adjusts over regular clothing via the front velcro closure, ensuring a comfortable position without additional tools. Its lightness allows wearing it throughout full shifts without generating unnecessary physical fatigue for the user.
