Description

The Reflective Workfit Trousers Size S is a piece of occupational safety clothing designed to ensure worker visibility in low-light environments, combining breathable textile technology with high mechanical resistance. Its main function is to protect the user during operations in risk zones without compromising physical comfort.

Technical Features

- Composition: 65% Polyester and 35% Cotton
- Weight: 240 g/m²
- Reflective tapes: two per leg around contour
- Waist: adjustable elastic with button and zipper
- Pockets: side and back with flap
- Protection category: I
- Colors: black and fluorescent yellow

These trousers offer superior durability against wear and abrasion, being fundamental to maintaining the integrity of the fabric during extended shifts. Its ergonomic design facilitates free movement while ensuring that reflective signals fulfill their constant visual alert function.

Installation or handling simply requires adjusting the elastic waist to the user's measure and securing the front closure with button and zipper before starting any occupational activity in construction sites,

warehouses, agriculture, livestock farming, or metallurgy.

Specifications
