Description

The WorkFit Reflective Long Sleeve Polo is a safety garment designed to ensure worker visibility in risk environments. Its technology combines breathable fabric with strategic reflective elements, offering optimal protection without compromising comfort during extended shifts.

Technical Features

- Fabric: 65% polyester and 35% cotton
- Weight: 180 g/m²
- Colors: Navy blue and fluorescent yellow
- Closure: Three-piece button collar
- Cuffs: Ribbed in contrast color
- Reflection: Two reflective tapes around torso and arms contour
- Construction: Reinforced high-strength double stitching
- Properties: High resistance to abrasion and wear

This attire provides superior visual safety, allowing personnel to be easily identified by nearby machinery or vehicles in construction sites and warehouses. Its ergonomic design facilitates free movement in complex tasks.

Installation is immediate; simply wear the garment over standard underwear. It is recommended to wash at low temperatures to preserve the integrity of reflective tapes and fabric structure, ensuring

long-term durability under demanding work conditions.
