Description

The 65mm round handlock knob combines elegance and functionality with its matted brass finish, designed for access control systems in demanding professional and residential environments.

Technical characteristics

- Diameter of the knob: 53mm
- Lace rosette: 65mm
- Adjustable lace measurement: 60/70mm
- Compatible door thickness: 30/50mm
- Body material: Steel or Zamak
- Surface finish: Polished gold matted
- Integrated internal-external mechanism

This accessory offers a durable solution for access management, providing superior mechanical resistance and a refined aesthetic appearance that enhances the visual value of any door.

The installation is easy thanks to the included kit, allowing fast and safe assembly on standard thickness doors without the need for additional specialized tools. Its adjustable rosette ensures a precise fit in most existing frames.

Specifications
