Description

The Reflective Workfit Pant Talla XL is a labor safety garment designed to offer maximum visibility and comfort during extensive shifts in risk environments. Its textile technology combines structural resistance with breathability, ensuring protection without compromising worker mobility.

Technical Features

- Composition: 65% Polyester and 35% Cotton
- Weight: 240 g/m²
- Adjustable elastic waist with button and zipper
- Two reflective tapes around leg contour
- Side and back pockets with flap
- Labor protection category I
- Color: Black and fluorescent yellow

This pant provides an effective barrier against wear and abrasion, being fundamental to maintain visual safety in low lighting conditions. Its ergonomic design allows performing demanding physical tasks with freedom of movement.

Installation is immediate thanks to its flexible waist that adapts to different body morphologies. Only requires adjustment of the front closure and zipper to ensure a correct position during active work outdoors or in industrial interiors.
