Description

The Reflective Workfit Pants Size 2XL is a labor safety garment designed to ensure worker visibility in low-light environments. Its textile technology combines mechanical resistance and thermal comfort, making it essential for operations in risk areas where personal protection is a priority.

Technical Features

- Composition: 65% Polyester and 35% Cotton
- Weight: 240 g/m²
- Adjustable elastic waist with button and zipper closure
- Two reflective strips around each leg contour
- Side and back pockets with flap
- Labor protection category I
- Color: Black and fluorescent yellow

This garment offers high resistance to wear and abrasion, ensuring durability in demanding work conditions. Its ergonomic design allows free movement without compromising the user's visual safety during the shift.

Installation is immediate thanks to its adjustable elastic waist, adapting to different body morphologies. It is recommended to wash with neutral products to maintain the effectiveness of the reflective strips and the integrity of the breathable fabric at all times.
