Description

The Reflective Workfit Trousers Size 3XL is a safety garment designed to offer maximum visibility and comfort in demanding environments. Its textile technology combines structural resistance with breathability, ensuring continuous protection during intense shifts.

Technical Features

- Composition: 65% Polyester and 35% Cotton
- Weight: 240 g/m²
- Adjustable elastic waist with button and zipper
- Two reflective tapes around each leg
- Side and back pockets with flap
- Labor protection category I
- Black color with fluorescent yellow details

These trousers provide a physical barrier against wear and abrasion, effectively protecting the lower limbs. Their reflective design ensures the worker is easily detected by nearby machinery or vehicles, reducing accident risks.

Installation is immediate upon dressing, taking advantage of the flexible waist for a personalized fit. Its use is recommended in variable weather conditions thanks to the high breathability capacity of the

fabric, keeping the user dry and comfortable during outdoor work.
