Description

The 175mm Vatton parrot peak plier is a professional tool designed for the accurate extraction of cables and components in reduced spaces, thanks to its specialized jaw technology and large opening.

Technical characteristics

- Total measure: 175mm
- Large variable opening: 0-35mm
- Body material: High Quality Vanadium Chrome
- Mandibles: Hardened for maximum durability
- Mango: Non-slip bimaterial
- Lock system: PushLock fast-tuning button

This equipment offers superior resistance in demanding jobs, ensuring a firm and safe grip without damaging the surrounding parts during handling of electrical or complex mechanical conductors.

The installation is immediate when removing the packaging, while its handling requires keeping the PushLock button pressed to release the jaws and adjust the opening according to the need for specific work.

Specifications

EAN	8425160496739
Long	175mm
Material	Cromo
Weight (kg)	0.225
