Description

The Reflective WorkFit Short Sleeve Polo is a safety garment designed to maximize worker visibility in high-risk environments. Crafted with lightweight and breathable textile technology, it ensures optimal comfort during demanding workdays under the sun or in enclosed spaces.

Technical Features

- Composition: 65% polyester and 35% cotton
- Weight: 180 g/m²
- Collar with 3-button contrast closure
- 4 reflective tapes around the torso and shoulders
- Double reinforced stitching for high resistance
- High resistance to abrasion and wear
- Colors: navy blue and fluorescent yellow

Its ergonomic design enhances visual safety in construction sites, warehouses, agriculture, livestock farming, metallurgy, and any sector requiring high visibility. The combination of materials ensures durability against adverse conditions without compromising user comfort.

Installation is immediate: simply adjust the front closure according to size and ensure that the reflective tapes remain well-aligned with the body for maximum effectiveness in low-light situations or nighttime emergencies.
